Tickets for the 1912 Class dinner will be on sale at the Union between 1 and 2 today.

A manila, first-class hotel, proud of New England traditions, dating from 1858. Rooms newly furnished, with every comfort and convenience.

Long distance phone and hot and cold water in every room. Kept clean by our own permanent plant. Rates: $1.00 a day and up.

The freshman class pipes have arrived and will be distributed at the dinner next Thursday evening. There are many reasons for putting off the date of distribution until this time. The first, place, it is the opinion of many in the freshman class that the victory on Field-Day was never properly celebrated and it was suggested by many members of the 1913 class that the pipes be formally lighted on the night of the dinner. The committee in charge of the 1913 class pipes have reported, at a very small sale so far, due to the lack of interest of the 1913 men, or as somebody suggested, they are too young to smoke yet. The pipes cost $2.85 to $3.45 and are well worth the price.

The pipes will be given at the freshman dinner.
