

### THE "DOPESTER"

Hard times for skating. Enter now for the "In-door" meet. It seems hard to have Wentworth declared ineligible, but it is only right for our authorities to do it, as we must play fair with our opponents. If Wentworth was in the game Wednesday night, the Tufts game might have been different. One thing is certain, though, I did not like the way the Institute team played at Medford. There was too much unnecessary roughness and "slugging." Better stop that now, fellows. The Tech-Harvard hockey game was another disappointment. Our fellows had two chances to shoot for every one that Harvard had, but still we didn't win. Well, I can only hope for better luck next time. The Hockey team has a game scheduled with Brae-Burn for Saturday. Let's hope for ice.

### 1911 OPINIONS

(Continued from page 1.)

H. W. Van Hovenberg when interviewed, said: "On the whole, the paper is very good, but more editorials should be run. The sophomores and freshmen should be complimented on the amount of time they spend on the paper. Stir up the sporting department a little and run more college news." J. A. Urquhart: "Generally you seem pretty hard up for news. The sporting end is not up to the mark." C. W. Homeyer was too busy to talk about it. R. O. Wood was hard to question, but finally consented to say: "Cheap at twice the price."
