velopment of small specialties in preventive medicine. Dr. Bryant has made a special study of eye, ear, and nose diseases, and she showed some of the very delicate and interesting instruments used in this work.

At four o'clock the dinner was over, and the members and guests adjourned to the Margaret Cheney Rooms.

GENERAL NOTICES.

FIRST YEAR.

Entrance Condition Examinations.
First-year students are expected to take at the end of the present term all entrance examinations in which they have not already clear records, with the following exceptions:

1. Students having conditions in entrance History and entrance Physics. No examination will be held in entrance History and entrance Physics at the semi-annual examination period.

2. Special students taking no work dependent on entrance subjects in which they have not clear records. Such students, if they desire to become regular, may take remaining examinations in June or September.

3. Students who are now making up entrance French and German by taking the elementary courses, although they are privileged to take these examinations.

4. Students entitled to excuse from particular entrance conditions on the basis of good term work. This applies to conditions in entrance Algebra, English, French, German, and Plane Geometry and students will be notified if excuse can be given.

For the Faculty Committee on Entrance Examinations,
WALTER HUMPHREYS,
Registrar.
