THE "DOPESTER"

Indore Meet tonight.

Let us hope for some new records.

Three records were broken last year:
The 440-yd. dash, 58.9 sec.; the one-mile run, 4 min. 52 1/5 sec.; and the pole vault, 10 ft. 6 in.

In between 1912 the freshmen have an excellent advisor for their team. 1913 should get out and work. The Varsity track team is dependent on them for their material in the next three years.

Congratulations, Fallon and Katzmeurer.

The freshmen's basketball season is going good now, and if the team keep in practice the 1913 contingent should come in strong at the finish.

Tash "fans" want to watch the relay team this year. We have lost Green, but the team should be as fast this year as last, and that means a record snatcher. Watch!

UNION DINING ROOM

(Continued from page 1) 

The courteous attention of the waiters, all gave excellent satisfaction.

I enclose one of our menu cards. It could be easier to read in black, but we wanted Tech colors.

Very truly yours,
ANNNIE E. ALLEN,
Treas., M. I. Women's Association.

The following is another letter received by Mr. Schurff from a member of the Woman's Association:

Mr. M. R. Schurff, M. I. T.

Dear Sir—Saturday I attended the annual luncheon of the M. I. T. W. A., and heard many of the members speak of the excellent menu and service. It seemed better than last year although we were satisfied then.

The Girls' High School Class of 1892 held their reunion the first week of February. Would it be allowable to use the Technology Union as we did last Saturday?

(I this letter was received from Miss Hattie L. Gates, of Roxbury.)

CHICAGO CONCERT

The Technology Alumni at Chicago have repeatedly assured the management of the several clubs that they will give the clubs "a time that they will never forget." The concert there will be held on Thursday, February 3d, and it is expected that the affair here will rank among the most successful of the series in the itinerary of the western trip.

A meeting in the interests of Christian Missions will be held in Sanders Theatre, Harvard University, on Monday, January 17th, at 4.30 P. M., under the auspices of the Student Volunteer League of Boston and the Harvard Mission. The object of this meeting is to bring before the students of this vicinity a knowledge of the scope and significance of the modern missionary campaign and the world-wide student movement on its behalf. The speakers will be David Z. T. Yui, a Chinese student in the Harvard Graduate School; G. Sherwood Edye, Yale '91 Student V. C. A. Secretary for India; and Edward C. Gatter, Harvard '06, formerly of India.
