

**CURRENT EVENTS**

The Young Men's Christian Association building, at the corner of Boylston and Berkeley Streets, was completely gutted yesterday morning between five and ten o'clock. Chief Mullen attributes the fire to an overheated furnace. The building itself was assessed at only \$72,500, but the entire loss of building and contents are estimated at \$275,000, on which there is insurance of \$250,000.

The losses include a beautiful tablet presenter by the London Y. M. C. A., original manuscripts of New England poets, a number of valuable paintings, and a library which contained several thousand volumes, including valuable law books, and the chemical and physical laboratory which ranked second to our own for completeness. Four alarms were sounded, calling apparatus not only from the city proper, but from Brighton, South Boston, Roxbury, and Charlestown, bringing fourteen engine companies and two water towers into use.
