FOURTH YEAR.
Course II. Optimum in Heating and Ventilation. The final examination will be oral.

Walter Humphreys, Registrar.

LIBRARY.
Receipts, dated but not signed, for the following books have been left in the General Library.

J. L. Knowles, Archtecture for General Readers.

The borrowers are requested to return these books.

COURSE III.
You cannot be old '99-er, but you can all be good loyal Course III men. The special issue of The Tech for your course will appear this Saturday; an issue chock full of things you either did not know, or wanted to have elucidated. There will be a number of pictures touching on and appertaining to you and your work, making the paper especially valuable as a souvenir for reference. Turn out then, you miners, and bring enough nickels with you to get copies of Saturday's Tech for yourself, your family and your friends.

WIRELESS SOCIETY.—All members who wish to have their names included in membership list in 1910 should pay their dues at once. Dues of $1.00 to members, $0.50 to non-members for reference. Turn out then, you friends.

TECH SHOW.
Poster and Lyric Competitions close Saturday, Jan. 15th, at 4.00 P. M. Posters to be left at the Show office or at the Cage for H. C. Davis, and lyrics for H. E. Davison.
