SOCIETY OF ARTS
**Will Speak On "Chemistry And
 Public Health"**

Dr. H. W. Wiley will address the Society of Arts Wednesday, Feb. 9 at 8 P. M., in Huntington Hall on "The Services of Chemistry in the Promotion of Public Welfare." The lecture promises to be exceptionally interesting, as Dr. Wiley in his position as chief chemist of the Department of Agriculture has had opportunity to thoroughly study the problems of chemistry in their relations to public health. His fight for adequate pure food laws has brought him into national prominence. This address will give Tech students a chance to hear one of the best known chemists of the country.

GLASS BASKETBALL

During the mid-year vacation the underclass basketball teams have both played the strong Somerville High School team and have each been vanquished. The Freshmen played at Somerville on the 2nd of February and in a rather fast game were defeated by the score of 38 to 20. McCarthy and Muther played best for the 1913 team while Pierce and Forg excelled for the home team. Saturday, the Sophomores tried their luck and managed to keep the Somerville boys amused for an afternoon. The

score was 42 to 5 in favor of Somerville. The game was fast and well played, that is, as far as Somerville was concerned; as for the 1912 men, they were noticeable once in a great while. Cherry and Albee were in prominence more than the rest of the Sophomore team. The Sophomores also went to Danvers on the 22nd of January to get defeated by St. John's Prep. School. Score 25 to 8.

NOTICES.
B. A. A. GAMES.
 M. I. T. A. A. Season Ticket holders may secure reserved seats by sending application to F. H. Briggs, 22 High St., Boston, on or before Feb. 9th. Tickets will be distributed by C. H. S. Merrill 1910. Price, \$2 each.

The 1913 Baseball schedule has not been completed yet. Any one wishing to have any games arranged can communicate with me at the Cage.
