TECHNIQUE 1911

(Continued from page 1.)

It can be seen from this statement that there are less than 20 books available from this 1000 edition. Fully as many as 25 men have signified their intention of signing before March 15th, saying that they wished to decide between the edition-de-luxe and the regular book. The edition-de-luxe is not to be order as extra edition but is included in the 1000 edition.

Under the advice of Mr. Scharff and Mr. Litchfield the board has decided not to order over 1000 books unless there are enough books signed up before March 15th to warrant an additional 100 copies. It is said not more than 100 books will be ordered.

To give every student an opportunity to order a book if he wishes to so order before March 15th to warrant an additional 100 copies it is decided that all books will be ordered at $2.00 each.

NOTE—Six new cards have been substituted in this article which was being written leaving a balance of 17 books.
