TELEGRAM NEWS OF THE MORNING.

WEATHER REPORT.

Philadelphia, March 25.—The disinte-

gration of the general sympathetic

strike sealed to the men of the

Rapid Transit Company continued yes-

terday. Hundreds of strike bands en-

ployed in the textile industries re-

turned to work and building operations

which were tied up by the general walk-

out were resumed in many parts of the

city.

Wellwood, March 26.—The Wellwood

time, the most elaborate feta of the

college year, and the most difficult for

the public to gauge even to, may be open

to 1:300 students, who have friends among

the students. It is proposed by the Student

Government Association to allow each student to participate in one ticket, at a price not exceeding $1, for a guest, and the fac-

ulty has been petitioned to allow it.

The proceeds are to go toward the pro-

motion of the men's building.

Boston, March 25.—It is not a crime to

refuse to pay a taxi bill, as the full

amount of the supreme court yesterday
decided in the case of the Common

wealth against James C. Goodwin. The

court ruled that chapter 109, section 50, of

the Revised Laws, which makes it a

crime to refuse to pay for the use of a

horse or carriage, does not apply to

taxicabs.
