

OUTLOOK IMPROVING

(Continued from page 1.)

Benson concluded the meeting by asking every man to show up regularly at practice, and to bring other fellows with him. He said that it was a great advantage to have the Intercollegiate meet at Tech Field because then every Tech man who had any show at all would be entered.

There has been a great deal of labor and money spent at the Field this year. Major Briggs, head of the Advisory Council on Athletics, has been directing the improvement of the track and field in every way. There has been a new curbing put on the track, and the track has been treated with loam and oil and rolled with a steam roller. An additional screen has been put in for a backstop for baseball, and regulation home plate and bases have been placed on the diamond. The tennis courts have been put in condition, and new screens have been put up. Besides this, a new dressing-room has been erected, adjoining the old one.

SELF-HEALING TIRES A SAMPLE PAIR TO INTRODUCE, ONLY \$4.80
 The regular retail price of these tires is \$8.50 per pair, but to introduce we will sell you a sample pair for \$4.80 (cash with order \$4.55).
NO MORE TROUBLE FROM PUNCTURES
 NAILS, Tacks or Glass will not let the air out. Sixty thousand pairs sold last year. Over two hundred thousand pairs now in use.
DESCRIPTION: Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of thin, specially prepared fabric on the tread. The regular price of these tires is \$8.50 per pair, but for advertising purposes we are making a special factory price to the rider of only \$4.80 per pair. All orders shipped same day letter is received. We ship C. O. D. on approval. You do not pay a cent until you have examined and found them strictly as represented. We will allow a cash discount of 5 per cent (thereby making the price \$4.55 per pair) if you send **FULL CASH WITH ORDER** and enclose this advertisement. You run no risk in sending us an order as the tires may be returned at OUR expense if for any reason they are not satisfactory on examination. We are perfectly reliable and money sent to us is as safe as in a bank. If you order a pair of these tires, you will find that they will ride easier, run faster, wear better, last longer and look finer than any tire you have ever used or seen at any price. We know that you will be so well pleased that when you want a bicycle you will give us your order. We want you to send us a trial order at once, hence this remarkable tire offer.

Notice the thick rubber tread "A" and puncture strips "B" and "D," also rim strip "H" to prevent rim cutting. This tire will outlast any other make—SOFT, ELASTIC and EASY RIDING.

IF YOU NEED TIRES don't buy any kind at any price until you send for a pair of the special introductory price quoted above; or write for our big Tire and Sundry Catalogue which describes and quotes all makes and kinds of tires at about half the usual prices.
DO NOT WAIT but write us a postal today. **DO NOT THINK OF BUYING** a bicycle offers we are making. It only costs a postal to learn everything. Write it NOW.
