

FRESHMEN BASEBALL

With the opening game of the season the Freshmen baseball schedule is announced. Manager Gans was somewhat late in arranging his games and so could not publish his schedule heretofore. He has several open dates which he will probably fill later.

The schedule:— z
 April 6—Roxbury Latin at Tech Field.
 April 9—Wakefield at Wakefield.
 April 16—Thayer Academy at Braintree.
 April 19—Gloucester at Gloucester.
 April 22—Brighton at Brighton.
 April 30—La Salle Prep. at Waltham.
 May 4—1912 at Tech Field.
 May 6—Mechanics Arts at Tech Field.
 May 11—1912 at Tech Field.
 May 14—Hyde Park at Hyde Park.
 May 18—1912 at Tech Field.
 May 28—Newburyport at Newburyport.
 May 30—Beverly at Beverly.

DUAL MEET

The track management desires that every Sophomore or Freshman who intends to compete in the dual meet Saturday, April 9, signify so at once. There will be the usual out-door track and field events, and it is expected that the many entries of fast men will make the meet close and hotly contested.

THE ARENA

Word from Middletown—Wesleyan track men training hard for meet with Tech on the 7th of May. They're going to do their level best to beat Technology and remember, as this is our only dual meet, we've simply got to win.

That dual underclass track meet next Saturday is going to be a corker. The Sophs got the best of the indoor meet, but that's not saying that they won't have to work to win the out-door meet.

Max Waterman, the assistant track manager, is doing mighty good work for the track management.

WINCHESTER

SMOKELESS POWDER SHOTGUN SHELLS

There are more "Leader" and "Repeater" loaded shells used than any other brand. Their superior shooting is the reason why. For pattern, penetration and uniformity they are unequalled. They hold all important records and trophies. ASK YOUR DEALER FOR THE RED W BRAND.

For general usefulness the Blue Serge Suit seems to stand alone—it is an absolute necessity to the man who is apt to be called away on short notice.

Prices \$25, \$30, \$35 for BLUE SERGE SUITS, made in our own workroom.
