

SOPHOMORES PICKED

(Continued from page 1)
the only man to fit in the first place in the low hurdles.

The weight events will go to the Sophomores unless a dark horse turns up for the Freshmen. D. F. Benbow and J. L. Bray are good for the first two places in the shot-put. Bray will probably pull off the hammer throw. The other places are not assured to anyone. W. M. Ruby 1912 is sure of the discus event, with Bray following close second.

P. W. Dalrymple 1912 will easily make first place in the high jump. Other men who may place are Bylund, H. B. Alvord 1912, or C. G. Fallon 1912. It is rather hard to say who will win the broad jump, but F. J. Shepard 1912, seems to be about the best man in the event; J. Becker 1912, is good for a place.

The pole-vault should go to H. Greenleaf, 1912; R. S. Rankin 1913, and E. Mangan 1912, will both make strong bids for second.

Rome, N. Y., April 9—While a west-bound freight train on track No. 3 of the New York Central Railroad was taking water about three miles east of this city, early yesterday, a shifting engine from Utica came up behind and stood waiting. Another westbound freight came along and ran into the light engine, which was sent crashing into the forward freight. Just at this moment the western New York express came upon track No. 2 and side-swiped the wreck.
