

## THE ARENA

Have you noticed that this year's outdoor relay team is wholly Juniors? What's the matter with the other classes?

Too bad Chamberlain has to play a lone game in the shot put. Some one to work with him would be a great help, but as it is he is doing fairly well, and is good for points at the Intercollegiates.

The track at the Field is faster than ever this year, and it is not improbable that "Pete" White will break the half-mile record. It has stood since 1902, and is held by H. S. Baker 1904, who also holds the record in the mile.

Speaking of the mile, just keep your eyes on L. O. Mills 1911. With E. B. Germain 1913 and R. D. Van Alstine 1911 to push him, another record may go.

College bred is after a four-year's loaf.

Coach Kanaly says we "have a strong team," and he surely ought to know. The one best bet is that there will soon be another red and blue banner in the Union.

There appeared in The Tech Monday a challenge to the Sophomore baseball team. Does any one know what it is all about?

Tennis men are out every pleasant day. More men will be welcomed. See Wentworth or Covill.

Don't forget the Handicap meet at the Field Saturday.

Watch those Freshmen track men. Here's a few comers—Bylund, Trull, Strachan and Rankin.

That all-sophomore baseball team is a good one. Too bad that Capt. Allen can't have the same-line-up every game.

Eight picked and races in view. Some satisfaction in knowing that perhaps after all, Tech will have a crew.

Syracuse is saying very little about how the outcome of the relay race at Philadelphia next Saturday will be, but they have a mighty good team there. And it will take a better team to pull a victory from those boys.
