The Senior Dance which takes place at Hotel Somerset tonight promises to be a magnificent affair in every sense of the word. The committee in charge of the dance are: Harold Leckett, C. C. Hild; and the executive committee are Mrs. Tallant and Mrs. Hamb. The dance will begin at 8:30 and will continue until 1:00 A.M. As has been the custom at all Institute affairs, novices will be permitted. Jack Martin's orchestra, strengthened by Mr. Kastell, the musical director of the H. T. Stearn, who will play first, violin, will play all the appropriate music, and no place will be left well known for their excellence, and also, to make everybody else, the dance will without doubt be most enjoyable.
