I entered the University of Michigan as a freshman and received the championship and team honors.

Fuller has been elected treasurer, and so will continue to take an active interest in athletics, its original Council was composed of three alumni and three undergraduates. These latter were elected, one by the Faculty Association, one by the Track Team, and one by the Institute Committee. This is now changed so that the three undergraduates are all elected from the M. I. T. Athletic Association, which was reorganized in 1908. The Council elects a chairman from their own number and also a treasurer. Following the resignation of Major Briggs from the chairmanship of the Council, Dr. J. A. Rockwell 1896, was re-elected, and since Major Briggs' withdrawal from membership Dr. Allan Burnham, 1914, has been elected as an alumni member. Major Briggs, however, has been elected treasurer, and so will continue to take an active part in the Council.

The Gymnasium classes in Physical Training begin this week, according to the Tabular View. The attendance at the first two classes was very large, and a large number of men have one absence against them all. These are only four cuts allowed during the year, and each man must report at his classes in order to obtain a clear record in that subject.
