Attention is called to the following

rule of the Faculty:

"All work of D, except in Physical Laboratory, obtained during the

first term must be turned in not later than the end of the

following March; those incurred in the second term must be

submitted not later than the end of the

following November; except that ex-

tension of time may be granted by the

Faculty in the case of subjects which

from the character of the work can be

be pursued to better advantage in

the term for which the record is given.

All deficiencies in Physical Laboratory

work must be removed at a date to be
determined by the instructor, which
date shall not be later than the end of

the following November.

In case a mark of D is not removed at

the date as determined, the stu-
dent shall be required to discontinue any
