CANDIDATES FOR GRADUATION.

November 7, 1910.

Notes in regard to status with reference to graduation have been sent to Fourth Year students. Any student who has not received a note should consult me if he expects to be a candidate for graduation in June, 1911.
A. L. MERRILL,
Secretary of the Faculty.

Students at the University of Missouri who keep books out of the library overtime are fined for each offense.

Nickel-in-the-slot telephones have been installed in the women's dormitory of the University of Minnesota, because the co-eds used the five free machines too much.

In spite of the handicap of smaller numbers, the Sophomores of Syracuse University are almost invariably winners of the annual salt rush, and it is proposed to inaugurate a contest that will more evenly match the two classes.

The Michigan Union is working hard for new men, in order to promote the movement for a new building, the present one being too small for the use of the University.

M. E. laboratory. Whether for the student's or the other instructors will, no doubt, also turn to students in the rack in the M. E. laboratory. Whether for the purpose of studying or for copying outright, any man who takes another student's returned report is running a great risk.

A very serious matter is the disposal of Anmericans who are applicants for new membership. These men have a list of Anmericans who are applicants for new membership, too, to elect new members from among.

A very strong matter in the disposal of Anmericans who are applicants for new membership, too, to elect new members from among. The club rooms are conveniently situated and are very well equipped. The club has a supply of genuine Chinese magazines on the tables. There is a very strong matter in the disposal of Anmericans who are applicants for new membership, too, to elect new members from among.
