MASSACHUSETTS INSTITUTE OF
TECHNOLOGY.
November 7, 1910.
Attention is called to the following
rule of the Faculty:
"All marks of D, except in Physical
Laboratory, incurred during the first
term must be removed not later than
the end of the following March; those
incurred in the second term must be
removed not later than the end of the
date determined, by the instructor, on
which the subject is to be
removed.

The Office of the President shall be
notified in writing of the date
when the record is to be closed.

All deficiencies in Physical Laboratory
work must be removed by December 1.

Examinations may be repeated, but not
before December 15.

The President has power to require
students to discontinue attendance
at the Institute if said students are not
fit to continue.

Attention is called to the following
rule of the Faculty:
"A student who is not removed
from the register for
Dreaded Courses, must remove his
name from the register within the
last three days of the term for which
his record is given; otherwise
the record will be closed.

Class of 1911 and the Teacher
of the Class of 1910 is now
open to inspection at the Office
of the President.

The Juniors in the Women's Col-
lege of Western Reserve University
have a wonderful place in honor of
the Seniors during the first week of
school. The entertainment consisted
in playing "Former in the Hall," and
"Drop the Handkerchief."
