With eighteen entries in last night,

the eight annual Handicap Cross-

Country race this afternoon promises to

be well contested. The race starts at 3 o'clock from West Roxbury, near

Highland Street, at Prospect Park, near Back Bay station at 2.08. A heavy

atmospheric front has been held over the entire

eight-mile course, and the recent fine

weather has put it in excellent shape for the run.

Several freshmen are entered and quite a few other men now have signed

up for today's race. The Varsity squad men are considered for their

absence, as most of them have broke windows since the intercollegiates, H. S. Benson, 1912, will be unable to run on account of the injury to his knee

which he received in the race at Princeton last Saturday, and Captain

H. G. Watkins, 1912, also isn't run.

This year five events are to be given—two for first and second places, and a third

for the best actual time. Only one cup

was awarded to a man, as was the case last year, when R. M. Ferry, 1912,

finished second and also made the best actual time, but was not

over the time prize. The second place cup

went to Foster Russell, 1912, who

won the race was won by W. E. De Whitt, 1911.

orchestra will be at the joint dinner

on Thursday, December 8th, at 4 P. M.

The meeting will consist of a question of five men. The point system

rates this office at 7 points. Arrange-

ments were made to hold the annual

class dinner on Thursday, December

25th, at 4 P. M.

The meeting was opened by the president, who

explained the fact that utilization is the watch word of

Waste. She emphasized the fact

that which is unnecessary; fourth, the use

that which is excess; third, that

has no control. Waste has five phases:
