From a purely social standpoint, the dinner next Tuesday is one of the few opportunities for all Tech men to get together socially, with no restrictions as to course or society interests. The consequent broadening of acquaintance is one of the most important as well as one of the most obvious advantages of this meeting.

From a professional point of view, the program is one that is of vital importance. The Faculty both take an enthusiastic interest in this meeting.

In conclusion, the following is the result of the Senior Election:

**For President:**
D. R. Stevens
L. C. Conley

**For Vice-President:**
H. D. Williams
C. P. Kerr
R. R. Hall

**For Secretary:**
O. B. Denison
C. H. S. Merrill
P. Russell

**For Treasurer:**
H. S. Smith
H. F. Cryer
K. Barr

This first dinner at least shows that the students and Faculty both take an interest in this. It will most certainly be developed into a monthly affair.

The opinions of some of the most prominent of our Faculty were expressed in favor of yesterday's Tech, and it is safe to say that the students are no less enthusiastic. Tickets are being sold at all courses and are going like hotcakes, so it seems likely that the enthusiasm of both the students and Faculty in regard to the coming societies' meeting.
