E. E. EXCURSION TO FORE RIVER.

Permission Has Been Granted to Visit
Large Construction Company.

The Electrical Engineering Society has received permission of the president of the Fore River Construction Company for the members of the society to inspect their extensive plant at Quincy, provided but 15 men name in each party. The committee is arranging to run four excursions next week, one Monday, Wednesday, Thursday, and Friday. As the plant shuts down at 4.30 P. M., it will be found necessary to leave the South Station on the 3.45 P. M. train. The running time to Quincy is about 15 minutes, and it takes about 50 minutes to get to the works from the station. The single fare is fifteen cents, or twelve rides for $1.10. Already four men have signed to go on Monday, the entire fifteen for Wednesday and Friday. A form has been issued for all train committee members to report to Coach Kanaly at the Gym. An exception is made from the requirements of all men intending to go.

At Kingston, all new buildings are of reinforced concrete. In this way protection against both earthquakes and tornadoes is hoped for.

The cost of the new building is about $1.5 million, and it takes about 30 minutes to get to Quincy. The running time to Quincy is about 15 minutes, and it takes about 30 minutes to get to the works from the station.

Knox College has a glee club of 350 members. An exception is made from the requirements of all men intending to go.
