WINCHESTER
Repeating Shotguns
USED IN THE U. S. ARMY.

The U. S. Army authorities know a gun; that is why, when they decided to equip some troops with repeating shotguns, they selected the Win- chester in preference to all other makes. The experts of the U. S. Ordnance Board also know a gun; that's why, after submitting a Winches- ter Repeating Shotgun to all sorts of tests, they pronounced it safe, sure, strong and simple. If you want a shotgun—buy the one whose strength and reliability held the U. S. Army authorities to select it and the U. S. Ordnance Board to endorse it—that's the Winchester.
