TECH SEVEN PLAYS
HARVARD TONIGHT
Entire Section to be Reserved For Technology Contingent.

There will be a certain section of seats reserved at the Arena this evening for Tech men and all men attending the game are asked to fill this section. A cheer leader will be present, and the risk should sound with the cheers for our team. This year the Tech squad have been able to begin its practice work much earlier than was possible in previous years, and because of the two strong teams which they have played and the hard-fought practice matches, the entire squad is developing rapidly into a crack team.

The game tonight will be the first collegiate match played in Boston this winter, and a large crowd is sure to be present. The Harvard team is a strong one and the match should be a fast and most interesting one.

EVERYBODY at the Arena at 8:15 tonight, and EVERYBODY cheer.
