GYM EXHIBITION AND MEET TUESDAY NIGHT
Six Regular Events and Three Exhibition Contests Will Be Held.

The annual gymnastic exhibition and meet of the M. I. T. G. A. will be held on Tuesday, December 20. Prizes and meets of the M. I. T. G. A. will be offered for first, second and third places in the following six events: High horizontal bar, parallel bars, side horse, flying rings, single tumbling and club swinging. Besides these even exhibitions contests will be held in boxing and wrestling and obstacle races will be run.

Each competitor is to perform three exercises of his own choosing and will be marked on a scale of fifteen cents is charged.

New men are especially urged to enter this meet as it will be the only opportunity to work out before the team meets will be awarded a gift. The Faculty of Colorado University has returned the petition for publication of Glennon and Clevy was also a feature. Lineup: Allen School.

Swimming and boating have been made regular athletic activities for women at Stanford.

1914 BASKETBALL TEAM VICTORIOUS
Defeats Allen School Five in Initial Game of Season.

The 1914 basketball team started off the season with a rush Saturday afternoon by defeating the Allen School five at West Newton by the score of 23 to 17. Considering that the squad had only had a week's practice, and that practically no team work had been tried, they showed remarkable form. For the Allen School, G. Hayes and Brown were the stars. While for the Freshmen, Omber was easily the best of the 171 in this sport this winter, and a number of contests are to take place for the team later on. This year all the world no smoke just like 'em.

College men say they're "different." Inexpensively packaged in order to give you 20 for 15 cents.
