SECOND VICTORY FOR 1914 BASKETBALL TEAM.

In an exciting game at Reading, Saturday night, the Freshman basketball team defeated the Reading High School Alumni by the score of 33 to 23. During the first five minutes of play the Alumni scored eight points to the Freshmen's two, but the latter gradually forged ahead until the half ended, with the score 16 to 14 in their favor.

In the second half there was never a doubt as to the result as the Freshmen played their men to a standstill, allowing them but two baskets. The game was somewhat rough, especially during the second half. Reading had twelve fouls called upon them, while the Freshmen had seven. Although every man played a fine game, the work of Glennon in shooting seven of the twelve baskets made by the Freshmen, and the caging of nine fouls by Russell, were features.

The game against St. John's Prep next Saturday will be the hardest of the season, and a full attendance at all practices this week is desired.

Freshman Team:
Glenmon, Henderson and Cleverly, guards; Russell, center; Comber and Derry, forwards.

Baskets: Glennon 7, Henderson 1, Derry 2, Comber 1, Russell 1.
Fouls: Russell 9.

Wonder if the Calendar Committee saw how the crowd was dressed Saturday night—FOURTEEN at the Union and SIXTY at the track meet? Were the rest of the fellows who call themselves Tech men?

The lineup follows:

Maxfield and Tormey, are members of outside semi-professional teams, and take a course in music, evenings, at the Academy, in order to play basketball.

The Institute men came off the floor feeling pretty blue at the end of the first half. But when the whistle blew for the beginning of the second half they went back determinedly and scored seven times in the free tries, scoring seven times.

In addition to these advantages it is reported by good authority that the three stars on the Dean team, Bassett, Maxfield and Tormey, are members of outside semi-professional teams, and take a course in music, evenings, at the Academy, in order to play basketball.
