WINCHESTER

Repeating Shotguns

USED IN THE U.S. ARMY.

The U. S. Army authorities know a gun; that is, why, when they decided to equip some troops with repeating shotguns, they selected the Winchester in preference to all other makers. The experts of the U. S. Ordnance Board also know a gun; that’s why, after submitting a Winchester Repeating Shotgun to all sorts of tests, they pronounced it safe, strong and simple. If you want a shotgun—buy the one whose strength and reliability led the U. S. Army authorities to select it and the U. S. Ordnance Board to endorse it—that’s the Winchester.
