INTERESTING MEETING
FOR MUSICAL CLUBS
Western Trip and Spring
Concert To Be Discussed
Other Business

Tomorrow at five o'clock P. M., in
the music the Clubs will hold
their first meeting of the term. The
starting of the work of the second hall
may be considered a matter of
consideration of many important matters,
and this meeting will follow the general
rule. One of the more interesting matters to be discussed will be the dismissal of those
members of the clubs who do not attend rehearsals. A western
trip for next Christmas is being planned,
and there are still matters to be settled concerning the concerts at Wellesley, Smith, and Waverley. The plans for
the Spring Concert are to be changed
in such a way that Junior Week will
be much improved. Final notification
is to be made about the club picture
and shagies are to be given out.
