FRESHMEN VS. BROOKLINE AT GYM: SATURDAY

Dual Track Meet In Indoor Events
With Local Stars

On Saturday, February 18, the respective track teams of 1914 and Brookline High School will clash in a dual track meet at the Gym. This meet will probably be more closely contested than the 1913–1914 Meet held February 4, and will be different, in its list of events. The program consists of a 55-yard dash, 300-yard, 100-yard, and mile runs, high hurdles, shot put, and high jump. Silver medals will be awarded to the winners in these events.

Brookline promises to send in a large and enthusiastic delegation, and, with a corresponding number of our own adherents, there should be no lack of excitement. Tickets are being sold by members of the freshman team, at twenty-five cents. The meet will be called promptly at 3:00 P. M. Saturday at the Gym.

COMMUNICATION

Editor of The Tech—

Another conflict between important undergraduate activities is about to occur. On the evening of February 17 a basketball game and gym meet will cross with an important meeting of the Civil Engineering Society to be held in Huntington Hall. The Calendar Committee will, as usual, receive the blame for such a state of affairs, wish to emphatically state, however, that the Calendar Committee is not at fault. The trouble lies with those organizations that do not cooperate with the Calendar Committee to the extent of sending in a list of their dates, or that do not trouble to consult the Calendar before arranging dates.

In this case, as a result, the C. E. Society was consulted and gave the information that it would be absolutely impossible to postpone their meeting. The Calendar Committee regretted that they were not given information that it would be absolutely impossible to postpone their meeting. Dates should be sent in as far ahead as possible to avoid the conflict. However, in this case, as a result, the C. E. THURSDAY FEBRUARY 16, 1911

The game with Williams tonight is one of the biggest games of the hockey season and should bring out the Institute men. It is a home game so there is no excuse if we are not all there with a crowd that will make the visitors up and take notice. We ought to win in en masse.

In conclusion I ask all officers of undergraduate activities to keep in touch with the Calendar. Otherwise it is of no value. Dates should be sent in as far ahead as possible to avoid the conflict. However, in this case, as a result, the C. E. Society was consulted and gave the information that it would be absolutely impossible to postpone their meeting.
