Gives Lecture Before Mechanicals

Mr. Henry Cave, of Springfield, gives a lecture on a recent demonstration given to the faculty of these courses. Equipment and supplies.

The apparatus for generating oxy-acetylene steel plates. The apparatus for generating oxy-acetylene demonstrated the welding of steel and excellent lantern slides, Mr. Cave's assistant flags.

An exhibit by this company is being made at the Boston Auto Show where the application of welding on automobile and automobiles is shown.

The lecture was one of the finest and most interesting that has been given this year and the M. E. Society is due much credit for obtaining it.

MECHANICALS TO TAKE TRIP TO BEVERLY

The Plant of the United States Machine Company To Be Visited

Friday afternoon, March 10, is the time set for a field trip. One of those special excursions as run by the Mechanical Engineering Society to give a visit to them, believing that such a line of work. Men acquainted with the Department will be represented by several members of the instructing staff.

The part that will be of greatest interest, the largest and most complex jigs in the plant of the New England Sanitary Process Company have been selected to take care of all the refuse and garbage in that manner. By the terms of the bid the company agrees to take care of all the refuse and garbage except from East Boston and Roxbury for $34,000 the first year, with an increase of 2.1 per cent for each of the following seven years. First monthly statements, three on the waterfront and two on the South Shore will be established, and depending on how will cart all the garbage and certain forms of refuse before managing to the Board to the Hoosier will be a means.

The cost to the city under the terms of this contract Commissioner Rouke stated to be about 24 cents per ton, while under the present system the cost is 94 cents per ton. The possible alternative disinfect was the erection of an incinerating plant, which would be leased to the company contracting to dispose of the refuse and garbage in this manner.

MUSICAL CLUBS GIVE A CONCERT AT WAVELEY

Notice of Meeting Tomorrow For Important Business

Last evening the combined musical clubs went out to Waveley, Mass., where they gave a concert in Waveley Hall after a last rehearsal in the Union just before the train left. The full membership went on the trip.

The program, of nine numbers, was well rendered and enthusiastically received by the audience, the vocal Quartette's fee being especially well enjoyed.

The program was as follows:

Friday, March 3.

MUSICAL CLUBS

Glee and Mandolin Clubs

TOMORROW, at 4.30 in the Dining Room

DINING ROOM HAS RECORD ATTENDANCE
