The committee on eastern slides and moving pictures for the Technological Annives- 
ty this year is arranging its program with extra care, so that it will be a success. The 
choice of the program is in the hands of Mr. A. W. H. Young, who is the Secretary of 
the committee. The program for the first meeting will include the following items:

1. "The Value of Electricity in the Home" by Mr. W. H. Ellis.
2. "The History of Radio" by Mr. E. H. Jones.
3. "The Development of the Telephone" by Mr. J. H. Smith.

These meetings are free and open to all members of the Technological Society.

Hockey and Badminton Ball Reports Turned In; Election of Gym Mgr. Eyon was
Approved by Association.
