SCHOOL ARMS.
March 20, 1911.
Each applicant for a scholarship (except a Sate scholarship) for the ensuing year, should hand in his application blank at the Registrar's Office, and leave his name before April 4th on a special card enclosed in an envelope, at the Registrar's Office. (Blanks and cards may be obtained at the Registrar's Office.) Applications dated since January 1st need not be duplicated but the applicant should notify Professor Dewey in writing if he desires to apply for a scholarship for next year. With the name state the class, course and all free hours to be taken in consideration. Each applicant will be notified through the "Cage" in regard to date selected for consultation. Students applying, therefore, should inquire at the "Cage" for all.

STATE SCHOLARSHIPS. Applications should be made to the State Board of Education on blanks to be furnished at the State Houses. While the State Board of Education has full control of the award of the State scholarships, it is customary to send all applications to the Faculty for endorsement as to standing, for advice as to other dates in possession of the Faculty may warrant. For this reason, while the Scholarship Committee has no authority to request conferences or further information from applicants for State scholarships, it will always be glad to receive and consider all information, that may be furnished. In any case, students intending to apply for State scholarships are requested to notify the Registrar to that effect.

Walter Humphreys,
Registrar.
