PRESIDENT MACLAURIN TO ADDRESS "JOINT SOCIETIES" AT BANQUET

Dean Durton and Bursar Rand to speak on the Big Senior Celebration planned by E. E. Soc.

MR. F. G. SPRAUGE GUEST OF THE "OLD TOWN TONIGHT"

Tickets to be on sale shortly at fifty cents each. Get your ticket early if you want to go.

Wednesday, April 12th is destined to be a good day for the students of the Massachusetts Institute of Technology. After all, April 10, and the Student celebration which is being planned by the program committee in the Engineering Society for that evening. Preliminary arrangements of the affair were made yesterday in these columns, and it is the intention of the committee to run daily notices regarding the affair in The Zet, a large number of prominent tickets.

As announced yesterday, the committee will have as its guest of the evening Mr. W. N. Eichorn, who will address the gathering on some pertinent engineering topic. In order that tickets may be sold in advance, the committee has arranged to have President Maclaurin of the Institute in the dinner, together with Dean Durton and Bursar Rand.

President Maclaurin has agreed to address the dinner, following the banquet and program, and it is hoped that he will kindly consent to speak. Does not this make the affair alike a student c.e.b.-in-lusual thing? Both of these events are to be held in the evening for all members of any of the many programs to attend.

Tickets will be on sale very shortly and the committee desires to state positively that dinner tickets will be sold only up to the capacity of the Union dining room. This clearly demonstrates the fact that tickets should be purchased early by all who expect to attend. If you do not get a ticket, it will probably be sold to some other person, so hurry up and get your ticket if you want to be included in the event of the night.

SENIORS INVITED TO ALUMNI CELEBRATIONS

The committee in charge of the arrangements for the coming Technology Congress and Celebration of the Fifty-sixth Anniversary of the Founding of the Institute, has decided to hold the day of the presentation of the class dues at the Alumni Banquet on Tuesday, April 20, and the Soonger celebration on Tuesday, April 11. Both of these events will be held in the evening in the Union. Men: a grand noise competition at the piano room of the Union this evening. Pottery and Kluge will be hard to beat the expressions found in any college society of the world.
