WEDNESDAY MARCH 29, 1911

THE TECH takes pleasure in announcing the election of Mr. E. W. Mann, 1914, to the News Staff.

"We believe that trifles make perfection and perfection no, a trifle." With Junior Week less than a month away, and the chief subject of conversation at the Institute, one would naturally think that enthusiasm should be at its highest pitch among the organization most directly concerned. The lack of enthusiasm on the part of certain of the members of the Musical Club seems to be as surprising to the rest of us, who are looking forward to the Spring Concert in April. Another important concert is coming before that date, for the Tech at Symphony Hall. This is the exhibition at which the alumni will get their impression of the musical ability at Technology at the present time. Two concerts the most important of the year, should the present time.
