Good Opportunity for New Men in Track Work

This has been a banner year for the track team in indoor events and Coach Kanaly is determined that they shall be an even better showing made on the outdoor track this year. The interest in track athletics at the Institute now than has been shown in the past four years and the number of men reporting each day is still increasing. At present there are nearly 50 men out for the various events. In point of numbers this is encouraging and they wear their de- feated colors with pride. The number of new men is increasing each day and the number of men reporting each day has been shown in the past four years than in any previous year. In point of numbers this is encouraging and they wear their defeated colors with pride. The number of new men is increasing each day and the number of men reporting each day has been shown in the past four years than in any previous year.
