Men will now Prepare for Probable place with Navy Later.

At the crew meeting yesterday afternoon it was announced that there would be a race with the Navy it. It could be possibly arranged and that the likelihood for such a race was considerable.

The crew management has made arrangements to row from the Riverside Bridge this afternoon, and the men are to report at Medcalf's this afternoon at 4:00 o'clock with their rowing clothes. In view of the prospective race with the Navy the crew will have to bend all its energies to developing a first boat only. It will, of course, be absolutely necessary that all the men be on hand at the posted time, as it takes quite a while to get to the Riverside Boat House.

The following men are to report: Upham, Ruby, Whitley, Barnes, Herres hall, W. N. Gore, E. C. Gore, sweet and Adams. Also any man wishing to try for the position of assistant manager:
