Notch Collars
Sit snugly to the neck; the tops meet in front and there is ample space for the cravat.

With the Prom only two weeks off, now is the time to send out your invitations—come around to the Union this noon and get yours—There is one there for you.

The subscription for chaperones is two dollars if you are bringing one, be sure that your admission card reflects the fact. Be sure to reserve a seat for your chaperone. It’s essential that you attend to this matter at once.

Copy down the seat number of every man with whom you have a dance. These seat numbers will be utilized in a week—so watch this column for announcements.

Goody driving adjoining seats must reserve them now! Then reserving these seats give the name of each man and the number of chaperones.

Somebody is at the Prom desk every day from one until two—come around.

SPECIAL NEWS FROM THE FRONT
(Special wire from Fort Worth)

The base ball game at Fort Worth, between “Jake’s Jugglers” and The Tech team was one of the best that have been played on the diamond this season. The Tech won by a single run and they left for (this) Moreover on the special with all their men in fine condition. They have been having the best of weather on this trip and they have shown up all that they have in each game. Their season is over. Back Bay opens on the 19th of April, and the entries here in the South all agree that they have the best of prospects, the men are all new in the big league game but they have enough experience so that they never seem to suffer from stage fright, their pitchers have been showing all kinds of speed and control over highballs and “breakers,” and the infield can almost double a double play with the greatest ease although they usually are restricted with one knockout at a whack. The games that they have played have shown up a great knowledge of “inside” base ball and they have pulled off the opener play on several occasions in a style that quite took the breath away from the victims. The team is composed of nine men who are playing the game hard and all the time and there is none of the pesty whistling that is constantly occurring on many of the other major league teams. The manager has complete confidence in the ability of his men and he is putting his line perfecting the arrangements for the grand opening on the holiday. He will leave the town tomorrow to play out the remainder of the preliminary games under the captain’s eagle eye, while parades through final arrangements for the use of the field during the entire playing season. They will be seen this year as the old squad, where all the fans are planning to give them the same treatment royal on their return from their long training trip. The left field Ulcers and the stand behind the ball have been approved with fewer, while the pit for the players back of third base has been improved by the addition of a bar with all the latest methods for cooling the men when they come in from the hot sun in the outfield.

LANGUAGE

Some cigarettes may be Greek to you but in plain English—Fatimas are Good.

No language can quite describe them—can quite describe that “distinctly different” taste.

But college men have a language of their own and their appreciation is expressed in the number of Fatimas they smoke.
