TRIUMPHAL TOUR OF
'TECH' TEAM

Students of Civil Engineering

You should read the ENGINEERING RECORD in connection with your studies.

It describes engineering works which exemplify the best practice in design and construction.

It will keep you in touch with the work of the leaders in all branches of civil engineering and construction.

The RECORD is devoted exclusively to sub-texts of interest to civil engineers.

Its contents contain an immense amount of valuable technical and practical information on engineering work.

You should have this information on file for future reference.

Some day you will need it in your work.

The Engineering Record is published weekly
