E. E. SOCIETY ELECTS OFFICERS

At a meeting of the Electrical Engineer-
ning Society yesterday afternoon, I. L.
Burry, Jr., was elected President for next
year, H. D. Kemp was elected Vice-
President, H. M. Fordyce Secretary and
T. D. Bond Treasurer. For several of the
officers voting was extremely close.

FIELD DAY CONTINUED

please ask at the information office.
for we couldn’t find it any place.
The next thing was a live comedy
in which the hammer-throwers beat the
“used to be’s” to a frazzle. It was
an excellent game for fair but the cold
west wind, that the poets (don’t) write about,
helped a whole lot to cool the ardor
which nearly took a plank out of the left
field fence.
