BUSINESS COMPETITION = TECHNIQUE STILL OPEN

Three Members of Thirteen Only Want to Work for This Department.

Last Thursday the Technique Board of 1911 issued a call for Assistant Business Managements in the form of a proposition for the members of their class in the line of securing advertising for the board. Such work must be done in order to get out a book of this character; the advertising pages must be full and work of such nature that it gives a man a fine chance to learn how to put a proposition up to a business man in such a way that he will see that it is best to accept.

So far only three members of the class have signified their intention to do the work for the board in this capacity, three candidates for two places. This is not only a chance to get into student activities, but also a chance to get some business experience on the job.

The terms of the competition are given out as follows:
(1) Any member of the Class of 1915 is eligible.
(2) The candidates can try for any advertisements except those which have appeared in Technique of previous years.
(3) The competition will close on December 1, 1911.
(4) The two men getting the highest amount (in dollars) of advertisements will be chosen as Assistant Business Managers on the Technique 1915 Board.

The Business Manager will be in the office every day from 9 until 12 o'clock in the afternoon, and will be pleased to see any one who wishes to make a try for the board in his department.

It is very easy to get the advertisements, and it only takes a little time in the afternoon. Technique is not a product of the Board but of the whole class. It is the duty of every member of the class to do all in his power to make his book as great as a success as possible. This is a direct appeal to the Juniors from the men whom they have selected to put out the book. It is to be hoped that a large number of men will come out for the only two positions left on the board.

Mr. Schaff, the book man, said that it was your duty to hand in a lot of grinds? It isn't; it is every man's. Get busy and remember that a grind in the box is worth two in the hand. (Special comment by one of the members of the board. Guess which!!!)

Worcester Academy Defeats Sophomores

On a wet slippery field at Worcester, the Sophomore football team went down in defeat by a 21-0 score at the hands of the Worcester Academy team. This was the first game of the season for the Sophomores and they showed a great lack of practice.

Marshall and Bryant were the stars for 1914, but it was a case of a heavy, fast and very well drilled team going in and running away with one which had no chance to practice. The newly elected captain, Charles Marshall, wants a large number of new men at the Oval this afternoon, so that his team may have some one to line up against the next week.

The lineup at the start of the game:
Worcester: Thayer, McNeil & Hodgkins
