ELEC. ENG. SOCIETY

FIRST MEETING TONIGHT

Many Plans Made for Next Year
—All Prospective Members Invited Tonight.

The Electrical Engineering Society held its first meeting in the Union tonight at 7:30 P. M. From the faculty, Professors Jackson, Pender, Widlund, Lyons, Lawrence and Gorton of the department will be relied upon to give short talks, and in addition a couple of the undergraduates of the course who have been in foreign lands this summer will give a few little notes from their travels. This will be informal and will be a chance for the new men to get acquainted with the rest of the department, and also for all prospective members to hand in their applications. This is to be a get-together meeting in every sense of the word, and the committee wants everyone to come. The coming year is prophesied as a very important one for the society, and many plans are in store: "Enough has been ing prophecy of what the future may have in store; "Enough has been
