WHAT the man behind a Colt can look calmly at danger because he knows he has the advantage. There's satisfaction in feeling secure.

For three-quarters of a century "the man who knows"—Cowboy—Soldier—Police Officer—has staked his life on the one arm that never fails. "It's a Colt," always dependable, accurate, and the proven superior of all other revolvers.

You take no chance in choosing a Colt; you run no risk in using it, because it has a Positive Lock insuring against accidental discharge, and is guaranteed for use with smokeless powder.
