These hose are genuine Italian thread silk—far different from the dull, coarse, spun silk. That explains their shimmery elegance.

ONE DAY LAUNDRY

COMMUNICATION.

Editor THE TECH:

At 8 P.M., Friday, October 27, a Hook Night will be held in the Union, under the auspices of the Entertainment Committee. We want all men who can do a stunt, to try them, and some who do not think so, to hand in their names as entries. The stunts may well be absurd from the very nature of the occasion. As this is the first entertainment of the year, it must be a success. That this is possible is evidenced by the event last year. It will not be so, however, unless every Tech man will cooperate with the committee, and the best way to do this is to attempt to do a stunt. In any event it is desired that every man reserve that evening for attendance in the Union. Leave entries at the Cage as soon as possible for the committee.

Yours,
THE ENTERTAINMENT COMMITTEE.

FRESHMEN, GYMNASIUM.

A representative of a sporting goods house will be at the Gym on Wednesday from 1:30 to 3:30 to take orders for Gym costumes. Greater reductions will be given to those ordering at that time. Every one must appear in regular costume in order to receive credit for gymnastics work. This will be the last chance to procure costumes at this rate and without going down town after them.
