WRESTLING PROSPECTS

Six Men Left from Last Year's Team—Coach to Be Secured

Although it is rather early to speak of indoor sports, it may not be amiss to let the fellows know that there is a wrestling team here at Tech which promises to be a good one. Six men are left from last year's team, so with a few more good results are to be expected.

A heavy covering for the mat has been secured so the men will not get scratched up. A coach is to be secured as soon as enough men report. There will be all classes, from featherweight to heavies. Meets are to be arranged with other clubs in the Institute.

If any one wishes to start in new, they should find A. H. Meaux or R. Smyth at the Gym almost any afternoon.

After Field Day it is hoped and expected that many candidates, especially football men, will go in for this branch of sport.

HADLEY ELECTED FOOTBALL CAPTAIN

At the Field, on Tuesday afternoon, the Freshman football team elected a captain to fill the position left vacant by the failure of the temporary captain, John O'Brien, to report for work at the Field up to date. The men chosen by the team to lead the remainder of the season is a Rundle Municipal Training School man, Harold C. Hadley, from Cambridge.

Hadley has been playing a star game at right halfback during the season. He is very fast for his height and is a consistent ground gainer for the team.
