1914

Unless something unexpected occurs, there will be no furtherrogate
me game meetings before Field Day. To how it is done, every
one is requested to send to Field Day this year. If 1914 men turn out
well at the Freshman dinner hazing. Another
innovation is to be tried by 1914 which, if successful, will very likely
become an established custom at Tech. The "elections" dinner is to be held
at six o'clock on Field Day this year. If 1914 men turn out well at the
Field and at the Theatre, and particu-
larly at this dinner, November 3rd should be a mighty big day for the
Sophomore class.

The special effort made at the close
of last year put the freshmen into
the class into excellent shape. The eais-
est and best way to pay the class dues
is to send them in with the annual
election ballots. To put the class on
their families.

Field Day, this year, must be a
clean sweep of football, relay and
tug-of-war for 1914. So far the men
have turned out well at the
Field Day, and it be has
the right spirit he will try for some
team, without any coaxing, and do it
immediately.

Finally, it will be to every man's
advantage that he get his seat reser-
vation for Tech Night as soon as con-
vienent. Reservations will be on sale
during noon hours in Rogers corner
the rest of this week.

The events then, which are of par-
cular interest to Sophomores from
now on until midnight of November 3rd are these: Daily team practice;

nominations from October 20th to
October 27th; class elections and pay-
ment of annual dues, from October
27th till noon of November 3rd; Field
Day in the afternoon on November
30th, the dinner at 5 P. M. of the same
day, and afterwards Tech Night at the
Colonial Theatre.

T. KRUEGER, President.

ness will be taken up at this meeting, and

sent.
