There is still an excellent chance to begin handing in "grinds." Very few have been handed in to date. A free copy of Technique will be given to the man who hands in the greatest number. This applies particularly to the Freshmen, because the most humorous things usually happen in the Freshman classes.

COMMUNICATION.

1914.

In order to have the ballots printed on time it is necessary that nominations for Sophomore Class Officers be made in promptness. The final close on Thursday of this week, therefore, as many as possible of the nominations should be in by Wednesday night. Nominations must be signed by ten Sophomores and handed in at the Cape.

THEODORE KRAMER.

FRESHMEN! GYMNASIUM!

The sporting goods representative who took orders for Freshmen Gym Suits on Wednesday, October 24, from 1.30 to 5.00, and also will receive any further orders.

FRANK M. KANALY.
Instructor.

SOPHOMORE TRIALS.

The first trials for the Sophomore relay team will be held at the Field Friday afternoon. These trials are not only for the men who have been previously chosen, but for all who think they can come within the time limit. Everybody must report on this day as no trials will be given after Friday.

Much time is still being spent in passing the bag so that no disastrous incident like that of last Field Day will occur. Everything is running along smoothly, and with fair weather the trials will occur. Everything is running along smoothly, and with fair weather the trials will occur. Everything is running along smoothly, and with fair weather the trials will occur. Everything is running along smoothly, and with fair weather the trials will occur. Everything is running along smoothly, and with fair weather the trials will occur. Everything is running along smoothly, and with fair weather the trials will occur. Everything is running along smoothly, and with fair weather the trials will occur.

BANQUET TO CHANDLER.

The Architectural Society is in receipt of an invitation for the entire society to a banquet and reception given by the Ansonia Brass & Copper Co., manufacturers of Bare and Insulated Copper Wire and Cable, to the members of the Institute of Civil Engineers and others present at the Institute's meeting in Boston.

ART EXHIBITION.

The problem places in Second Year Architectural Design are now on exhibition in Pierce Building. The problem consisted of the design of "A Summer House or Pavilion at the edge of a Garden." The order of merit follows: W. J. Mooney (1), G. H. Robb (2), E. G. W. Saunders (3), R. E. Brooks (4), received first mention; G. W. Dryer (1), P. D. Horgan (2), W. C. Richardson (3), H. O. Gilmore (4), second mention.

TECH NIGHT TICKETS.

Tickets for Tech Night can be exchanged now for seeing the "Dramas" in the new theater. The Tech has a limited supply of Durham Duplex Razor. These can be obtained at Tech office for 35 cents each, which covers the cost of packing, shipment, etc.
