FIELD DAY RULES OF ADVISORY COUNCIL

Little Change from Those of the

Past Years Except in the

Times For Events.

Field Day, which comes on Friday of

this week, has to be governed by

rules, the same as any other set of

track and field games, and these rules

come from the Advisory Council. They

are about the same from year to

year, but are always of interest and

benefit to the lower classmen.

The football game counts four (4)

points for the winner; the relay race

events three (3), and the tug-of-war

two (2). In case of a tie in any of the

events the number of points will be
given equally to the two classes.

The events will be called in the fol-

glowing order and the race will be run off

shortly on time:

Tug-of-war (first trial) 2.30 P. M.

Relay race, 2.35 P. M.

Tug-of-war (second trial) 2.38 P. M.

Football (first quarter) 2.30 P. M.

Tug-of-war (third trial) 2.56 P. M.

Football (fourth quarter) 2.50 P. M.

All teams must be on the Field five

minutes before the time of calling the

events ready to go on. The third trial

for the tug-of-war men will be left out

if either of the two teams should take

the first two trials.

Five football men and two relay

runners are eligible for number one sub-

stitution, provided that the names are

unannounced to the chairman of the Ad-

visory Council at the Field before 2

clock Friday, November 3rd.

In any event the direct interference of

any coach or spectator will render him

expelled from the Field. The

respective - referee, umpire, judges, etc.

In this matter shall be final. The

management of the games and all mat-

ters connected with them is vested in the

Advisory Council and may be dele-

gated by it to any sub-committee.

The Council furnishes all football

whistles, flags for relay race, flags and

pace for the tug-of-war, and appoints

all of the officials of the day, such as

coaches, umpire, timers, judges, etc.

HARE AND HOUNDS' RUNS,

Kanaly to Have Short, Easy

Runs for Exercise Only.

Coach Kanaly intends to feature the

Hare and Hounds' runs for the rest of

this season, even though the Cross-

Country team has been selected. In

the past men have generally ceased

hare and hound running as soon as

the team was picked, as they have

felt that there was no more use in

running. This year the Coach de-

cided that the training would be valu-

able to both indoor and outdoor men, as

well as beneficial to students in

general, who take but little exercise.

With this object in view the runs are

likely to be very short, probably not more

than three miles, and besides, the

pace will be very easy. Furthermore, the

racing at the finish that has been the

custom will be discontinued.

Since the Cross-Country team most

likely will consist of the hare and hounds' runners, they

will probably be run in a separate de-

tachment so the inexperienced men need not fear too fast a pace.

The Hare and Hounds' runs will occur Saturday following Field Day, Novem-

ber 4. There will be three runs besides this one, and on Decem-

ber 2 the eight-mile handicap race will be held. It is probable that one of

the practice runs will occur this week; the others will be held on

Saturday before the race.
