HARE AND HOUNDS TO BE RUN ON NEW PLAN

Shorter and Slover Races to Be Held—First Run Next Saturday.

Next Saturday afternoon an entirely new series of Hare and Hounds' runs will be started by Coach Kanaly. The course each week will average about three miles in length, so that everybody is cut for any of the events from the relay to the cross-country team can take part in these events, and Frank wants all candidates out.

The slow men need not fear to come out for the runs as an easy clip will be maintained at all times. Also the sport which we mentioned on the "list of the previous runs will be done away with. The object of these runs is to give one of exercise and training, and those who are not out for the team but just want the exercise are especially welcome. It is hoped by the track management that everyone that is out for the track team will run Saturday to get in the first run of his new scheme.

Coach Kanaly will take charge of these runs personally and will be glad to help the fellows in any way that he can. The Hare and Hounds chase came was started several years ago to give the men a chance to train for the cross-country team and also to furnish an amusing way to accomplish this object. Lately these races have become so fast that only the regular team men could keep up and show any show at the finish. As a result Coach Kanaly has devised this new plan.

The course for the new run has not yet been announced, but it will be announced on the bulletin in time to give the men a chance to train for the course. The course can be arranged to be on hand. It is also announced that the price will be some thirty-five cents this charge covers all expenses to and from the course.
