HARE AND HOUNDS AT NEWTON TODAY

For the first time this year, the cross-country men will not run with the hare and hounds this afternoon. On account of Coach Kenney's new idea of giving cross-country work to all the men, the course will be run. The track men will have a slow three-mile run at Newton, while the cross-country team will go over a new course at Wakefield.

E. Cartwright set out a fine ten-mile course at that place yesterday afternoon. The handicap race will be run over this course. The country is remarkably open and offers every kind of geography. The only difficulty is that the finish cannot be at the field.

The hare and hound split will leave Trinity Place station at 6:00, and the cross-country team will leave the North Station at 2:14. All track men are expected to go on the run at Newton. This kind of work is just what is needed to put the men in fine condition for the indoor season. The starting point will be at the C. A., where the swimming pool will be at the disposal of the paper chasers.

THE UNION DINING ROOM IS EVER BOOMING

Junior Dinner One of Best Ever and Improvements Show Up Every Day.

The dinner which was served to the Class of 1913 in the Union Dining Room on Thursday night was one of the best in every way that has ever been put on for the great student, Mr. Collot. Everything on the well-balanced menu was right, and it was read, in fact presented in such a manner as to be a real triumph. A table which was set up by the Dining Committee of the class was exceptionally handsome. The men who made use of the Union, but the feature of the dinner was the service on the part of the Union. Under the direction the Union seems to come to being a service which is very near the same service in any other of the rooms.

The number of men who eat in the Dining Room is steadily growing, and, in particular the men have seen what a good kind of service the Union can give and has accomplished what might almost be called wonders along this line already. This kind of things goes to make things more pleasant for the fellows who come in and the Union is almost possible to get in and out on the high speed, as any one wants to during the next few days.

The Diarist is still inquiring if there are any more men who have ideas or suggestions that they will be willing to make either about the kind of food served, the quality of the service. Any one who thinks of anything in the way of combinations or new methods in conducting the Dining Room is welcome in Mr. Rand's office at any time. He is too good to come from the men and find out what they think about it. The Union is one of the important that Mr. Rand has to face here—this year.

HARVAR D RUNS YALE

Crimson Team Is the Favorite But Race Very Slow.

The Harvard cross-country team will meet Yale this afternoon in what promises to be the most closely contested duel meet of the season. Each team has run one race this year, Harvard victorious from Tech, and Yale from Princeton. The Harvard team is accepted as the leader, but the Yale team contains several new members.

The Harvard cross-country team is a slight favorite it will be by no means an easy contest. By midway the season last year the Yale team covered the Princeton course in 35 minutes, 3:15 being the record set by Mr. Kermer.

Mr. Witherington of the Harvard team is conceded first place, but his teammate, W. R. Cope, will give it close competition. Likewise, Mr. Kermer, who will take the first place, should take third. The next members of the Yale team are considered among Lawless, Warren and Burrage of Harvard, and Hendrick, Gardner and Forsyth of Yale.
