The easiest pen to fill.
One of the features which makes Moore's
an unquestionably superior pen is the ease
and rapidity with which it can be filled.
Simply remove the cap, drop the ink in
and the pen is ready for use—noinky
points to consider.

Moore is a very satisfactory pen to carry
about in your pocket. It contains 40 drops of ink,
the amount that it will take to write with the pen
marks a month or six months. In that time it is always
dry and clean.
