ALL OUT FOR CROSS COUNTRY SEND-OFF

Every Tech Man Expected to Be At Back Bay Station At 10 O’Clock.

The cross-country team will leave some time this afternoon. Not many of us can go to the race, but everybody can go to the station to see them off. Every fellow in the Institute is expected to be at Back Bay at 10 o’clock.

Put yourself out a little and let the team know that all Tech is behind them and that we can support them in any way we can. Everybody can go to the station. Not many of us can go to the race, but everybody can go to the station, which is only an hour’s journey by train. The team will leave in the 10.07 train or Brown.
